SHOWCASE! SYMPOSIUM TRACK

FACULTY RESEARCH SHOWCASE! Faculty have 15 minutes to showcase their research so others in the college and across campus can learn about their work. This can be your research agenda, research results have already been presented elsewhere (2015 to now) or future research ideas! Faculty are invited to include student co-presenters if desired. **Due by January 18, 2019: an email stating your interest to showcase, title of your presentation with a short abstract and what times you teach on Feb 11 so we can schedule appropriately.** Notification of acceptance will be made no later than January 23, 2019.

GRADUATE STUDENT RESEARCH SHOWCASE! Students have 5-10 minutes to showcase their research (2015 to now) so others in the college and across campus can learn about their work. **Due by January 18, 2019: an email stating your interest to showcase, and title of your presentation with a short abstract.** Notification of acceptance will be made no later than January 23, 2019.

FACULTY OR GRADUATE STUDENTS POSTER SHOWCASE! Share a previously presented poster (2015 to now) to share your work (not for Best Poster consideration). **Due by January 18, 2019: an email stating your interest to showcase, and title of your poster.** Notification of acceptance will be made no later than January 23, 2019.

TRADITIONAL SYMPOSIUM TRACK. *Awards will be given to best poster.*

PAPERS: Extended Abstracts (600-1000 words) for papers are due by January 18, 2019 for peer reviewing. Notification of acceptance will be made by January 25, 2019. Full papers are NOT required. Submissions that are not accepted as a paper will be considered for acceptance as a poster.

POSTERS (New Research or Research in progress): Session sponsored by CCI Graduate Student Association: **Abstracts (250-500 words) for posters are accepted beginning NOW with a final due date of January 18, 2019.** Notification of acceptance will be made no later than January 25, 2019.
